

ColSeal™ maxi

ColSeal™ Maxi

The ColSeal™ Maxi is a hand operated multi-functional heat and film sealer for packaging such as sandwich packs, salad boxes, and trays. This small and light weight sealer offers versatility with two different pack sizes within the same tooling drawer.

The ColSeal™ Maxi is predominantly stainless steel and ideal for use in coffee shops, retail outlets and catering companies.

Optional double sided tool allows for two different pack sizes to be sealed.

Rotatable tool plate
